

CAMPEP/SDAMPP Graduate Program Survey Results

E. Jackson, PhD

Chair, CAMPEP GEPRC

Chair, SDAMPP Outcome & Statistics Committee

Reporting Period

January 1, 2010 through December 31, 2010

Survey Logistics

- Survey tools:
 - CAMPEP Annual Program Survey
 - SDAMPP Survey (non CAMPEP-accredited)
- Results were tabulated to allow comparison to the 2009 survey results. However, the number of programs that responded to the 2010 survey (N=35) was greater than the number that responded to the 2009 survey (N=29), so the comparison is not “one-to-one”.

Program Response / Degree Offerings

- 30 CAMPEP-accredited programs responded
(23 US / 7 Canada)
- 5 non-CAMPEP-accredited programs responded
(4 US / 1 Mexico)
